

# Did you know...

The Government gives this practice just £107.57 for each patient, whatever their health needs. That's less than the cost of a TV licence.

This means we're only given 30p a day for every patient registered with us – less than the cost of an apple.

**GPs want the same things that you do.**

We believe nobody should struggle to see their family doctor.

We believe general practice deserves a **bigger slice** of NHS funding so we can train and hire more GPs, deliver the services you require and make it easier to get appointments to see your GP and practice team.

**We know you deserve better than this. GPs Are On Your Side.**
